## Minutes

Teen Health Network 3/10/11

### Reports

#### 1. Teen Zone: DH

Funding for ARNP:

TZ received funding for part-time ARNP to begin in May. Josie may fill position

Meeting with FCHC:

Donna Harris met with Molly Ferguson FCHC and Sean Boyle CSC to discuss services available to teens in SLC. Will collaborate with FCHC in future

2010 TZ numbers:

320 visits at TZ last year

199 unique clients

81% of teens with a negative pregnancy test start on long acting hormonal birth control

Unable to track STDs- are currently working on tracking these numbers

#### 2. Feedback from Birds and Bees presentation in MC:

20 parents turned out for presentation to learn how to talk to their teens about sex.

Low turn out due to little marketing

#### 3. Resource Guide:

A few changes need to be made to outline that DH handed out.

Eliminate PPH Teen Time

Remove "Abortion Referral" from PPH services section

### New Business:

Results from the Youth Risk Behavioral Survey

Postponed till next month

Christine Epps reported that Mr. Lannon will encourage an evaluation after FCATS this year to make sure that it is being facilitated in schools.

How can we involve youth in our communities?

Invite participants from Youth Leadership to THN meeting
